Dear xxxx,

We are writing to inform you that, based on our review of our financial aid records, you are eligible for a grant from the Higher Education Emergency Relief Fund (HEERF II).

To apply for this HEERF II grant, complete the online form (instructions for accessing the form are below). This application is simple and straightforward, and it will enable us to credit the grant to your Student Account and process a refund for you in an efficient manner.

Once we receive and process your online HEERF II application, your grant will be credited to your Student Account automatically. This credit will trigger a refund to the bank account you have set up for direct deposit from your Student Account. If you do not have a direct deposit agreement in place when the grant is credited to your account, we will process a paper check and mail it to you. We strongly encourage you use direct deposit, as processing a paper check may delay receipt of your refund.

You can set up direct deposit now for your Student Account in SIS to expedite processing of your grant. Instructions are available on the Student Accounts website. If you are unsure whether direct deposit is currently set up for your Student Account, you can check by clicking on “Direct Deposit Authorization” on the Student Accounts tab in SIS.

We have posted FAQs related to these HEERF II grants at HEERF II FAQs.

Again, we are happy to inform you that you are eligible for this grant and we look forward to receiving your application in the next few weeks. All applications are due by June 30, 2021.

If you have any questions, you may contact us at heerf.grants@yale.edu.

Sincerely,

Caesar T. Storlazzi
University Director of Financial Aid
